DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114.

Applicant's submission filed on 3/31/2004 has been entered.

Allowable Subject Matter

2. Claims 1, 2, and 4-10 are allowed.

3. The following is an examiner's statement of reasons for allowance: Claims 1, 2, and 4-10 are allowable for the reasons presented in applicant's arguments received 10/22/2003. Further claims 1, 2, and 4-10 are allowable over JP 9-54370 cited in the information disclosure statement of 3/31/2004 because although the Chinese search report states it reads over claim 1; it only possibly reads over claim 1 as originally filed (it can be presumed that the Chinese used the claims similar to those originally filed and not the amended claims) it does not read on the limitations added on 10/22/2003, namely that the clamp is connected at least to a turn lever and the engagement of the clamp is released by a combination of turning movement of the clamp and the turn lever. It appears in figure 6 that the clamp is released directly by the push of a button;

there is no link mechanism that is turned. Further the button does not appear to be at a corner, but rather in the middle (see figure 1, the button is not labeled but appears to be near the 5 indicator.) Accordingly since the prior art does not teach the claimed subject matter claims 1, 2, and 4-10 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew T. Sever whose telephone number is 571-272-2128. The examiner can normally be reached on 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Judy Nguyen can be reached on 571-272-2258. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
